

# Health & Immunization

## All Students

A copy of all immunizations, including the month, day and year of administration must be on file in the clinic.

## Transfer Students

Instate – A copy of the health files should be transferred from the previous school of enrollment or a new physical exam must be submitted to the clinic.

Out of State – A copy of a physical, done in the state of Virginia must be on file in the clinic.

Foreign Countries – In addition to the above requirements, the date and results of a recent tuberculin test must be on file.

The Commonwealth of Virginia and the Diocese of Arlington require that the above records be on file before a student may be admitted to school.

## Minimum Immunization Requirements for Entry into School

3 DTP (or DTap) – at least one dose after 4<sup>th</sup> birthday (unless 6 doses received prior to 4<sup>th</sup> birthday)

3 Polio Vaccine – at least one dose after 4<sup>th</sup> birthday (unless 4 doses of all OPV or IPV prior to 4<sup>th</sup> birthday)

Hib – 2-3 doses prior to 12 months; 1 booster between 12-15 months; 1 dose between 15-30 months if unvaccinated

HipB – 3 doses required

2 Measles – 1<sup>st</sup> dose on/after 12 months of age; 2<sup>nd</sup> dose prior to entering kindergarten

1 Mumps – on/after 12 months of age

1 Rubella – on/after 12 months of age

1 Varicella – on/after 12 months of age

Those entering 6<sup>th</sup> grade need to have a TDaP Booster

Those entering Kindergarten need an updated physical with current immunization dates

This is needed by August – Hand deliver or fax (703-256-3490) to the office.

Parents please make a copy for your records
