### Charlotte's Web Character Riddle Sort

Directions: Read the riddles below. Cut and paste the character described by the riddle in the box next to it. Then, sketch the character.

I am a pig living on the Zuckerman farm. I was really lonely until I met Charlotte, who is one the kindest, most intelligent creatures in the world!	
Even though I'm a little girl, I'm not afraid to stand up to grown-ups if I feel like an injustice is being done! My best friends are animals, and I can spend hours in the barn talking to them and listening to their stories.	
That pig! He is going to bring prosperity and fame to my farm! I've got to alert the news! Somebody call the presses! This is a real miracle we've got here.	
I really worry about Fern. She spends all of her time down there in the barn talking about the animals. In fact, she thinks that she <i>can</i> talk to the animals! I'd wish she make some friends of her own at school.	
Salutations! Wilbur is a very special friend of mine. We love to have conversations, mostly about life and friendship. I believe that friendship is one of the most important things anyone can have!
