

Build it for the Kids!

Help us build a playground for the kids of
Saint Michael School

"A playground symbolizes to me happiness
and youth." -Emily 5th Grade

What's recess without a playground? Just ask the students at St Michael School! They have a large play area, but nothing to play on! We all realize the importance of play and exercise for our children's emotional and physical development. The KABOOM! Grant of \$15,000 is a great launch pad to start funding our project and now we come to you, our family, friends, church and community to get us to the finish line. Our remaining goal of \$20,000 will fund a playground that our children desperately want, need and deserve!

In the spirit of the Holiday Season, that is quickly approaching, we ask that you help us create a gift that will keep giving. It will be amazing to have a brand new playground waiting for the students after the restrictions of Covid-19 are lifted. What better way to celebrate the end of social distancing than running, climbing, and sliding with your friends!

We are so excited to announce our Puzzle Fundraiser!!

We hope you will join us and support this fun, community build playground project. As we receive donations and sponsorships we will reveal puzzle pieces showing what our playground is going to look like! We will even have an actual puzzle at school that will be assembled as the pieces are purchased!! Puzzle pieces will be sold starting at \$200 each with all proceeds going directly to the playground fund! Each puzzle piece purchase enters you into a raffle. On December 16th we will draw one (possibly TWO) lucky winners! If we sell 25 pieces we will draw for a NEW Nintendo Switch Lite. If we sell 50 puzzle pieces we will also draw for a NEW Apple iPad (8th generation)!!! **See back for additional details.
